Summary:

Mike punishes Max

Punishments are fun

Mike sighed, running a hand down his face. This was all Max's fault. She humiliated him in front of his friends AND caused his girlfriend to break up with him. Twice. He crumpled the paper and threw it behind him, missing the trashcan. An idea popped into his head. What if he humiliated her worse than she did him? She needed to be punished and he knew exactly how to do it. No one was home either, so it was perfect. He quickly ran to the phone.

Max hummed as she knocked on the door, waiting to be let in. Mike opened it, pulling her inside harshly. "What the hell Mike! That hurt!" She yelled at him. "Shut up," he had said. She started at him with wide eyes. "Mike w-" he slapped her across the face. "I said shut up!"

He led her to the basement, throwing her on the couch. She gasped, looking up at him. "Mike what has-"

"Do you not fucking listen?! I thought I told you to shut the fuck up Maxine!"

Her mouth fell open as she looked up at him. He undid his belt, getting on top of her. He grabbed her neck, choking her. He bit her lip, drawing blood from it. "Fucking bitch, I should do worse to you." He said pulling away.

"What did I do?"

"You humiliated me in front of Lucas and Will, and made El break up with me. Twice. You need to be punished Maxine."

She had no words. He pulled her up by her hair and threw her across his lap. She squirmed around, trying to get away. "You're crazy! Let me go!" It was all just for show, she was becoming wet from seeing Mike like this. He yanked her pants and panties down. She gasped, kicking her legs. He pulled her hair up, making her look at him. "Enough! I will turn your ass blue I swear to God Max."

He smacked his hand on her ass, hearing a moan from the girl. He put more force into his slaps and started to spank the girl harder. Max,

now in pain, started to cry. She was sobbing and thrashing around. Mike stopped spanking her and yanked her hair. She yelped in shock.

"I'll tie you up, stop it."

She nodded as she swallowed. Her eyes shone with tears, pussy begging to be toyed with, and ass stinging in pain. He kept slapping her ass, two to the left, three to the right, five on each thigh. It was torture, but she liked it.

He smiled once he saw the dark red spreading along her ass. He pushed her to the floor. She yelped as her ass made contact with it. Mike slid his pants and boxers off, throwing them on her. He put his foot in her mouth and slowly stroked his dick. "Open," Max opened her mouth allowing him to shove his toes in her mouth. Her tongue swirled around his big toe and licked in between them. He smiled watching her. Mike took his foot out and knelt on the ground. She looked up at him, eyes shining with lust. He slapped her on the cheek lightly causing her to open her mouth. He quickly put his dick in her mouth, watching as she immediately started sucking.

"You hungry? Yeah I bet you are." Her mouth reached the base, balls closing her nose. She stayed like this for about twenty seconds before trying to bring her hand up to tap Mike. He held her hands tightly against her stomach. She started thrashing and kicking her legs, trying to get air. Tears filled her eyes as she got more reckless. Mike finally pulled it out, allowing her to breathe. She gasped in air as he smirked at her. "I'm not done with you yet."

Mike sat on her face, hole pressing against her tongue. She started to lap at his hole. He smirked, stroking his dick. "Yeah baby, just like that." She smiled under his ass. Her tongue sunk into his hole, in and out. He groaned, putting all his weight on her. "Fuck Max, you're so good. Fuckkk." He moaned, stroking his dick faster. The redhead went faster, stopping in between to get some air. Her tongue messily dragged from his hole all the way to his crack. Mike pinched her nipples causing her to moan. He took her hand in his and placed it on his cock. He put his hand on top of hers and made her stroke him. She could go a while without air, but this was getting hard. She kicked her legs harshly, trying to get away but instead bunching up the rug. Mike laughed at her, "what's wrong Maxie? Can't take it?" He

cooed teasingly. He leant backwards, putting his hands on the ground and putting even more weight on her. "I think I'm just gonna stay like this." The girl tried to gasp as she pinched his thigh. He lent forward a little and slapped her pussy, hard. She whined and closed her legs. He chuckled, tickling her sides lightly. He finally got up and sat on the couch, watching her gasp for air. She rolled over onto her side panting and breathing heavily.

Mike was still sat on the couch, watching her. "This cock isn't gonna suck itself bitch." Max nodded and got onto her knees, crawling over to him. He grabbed her by her hair harshly and started to thrust his cock down her throat. The girl gaged and choked as he forced her to take all of it. He pulled her hair, bringing her down further. He stopped thrusting and held her at the base, her nose in his pubes. She began to suck him as best she could. He leaned over and grabbed his mother's polaroid camera. It was a hot scene in front of him. Max on her hands and knees, hand tangled in her hair, cock down her throat, tears down her cheeks, snot in her nose, throat bulging. He quickly snapped a picture. "God you're such a fucking slut. I'm gonna show the whole fucking party this Maxie and they're gonna know. They're gonna know that we have a little whore in our group."

Max moaned in response, sending vibrations through his cock. "You think we could all have a go? Use you just to make us feel good? Maybe I should let you in the party, hm?" She nodded as best she could. He petted her softly, "Yeah you'd like that. Well they're coming over tomorrow, let them have a go. You've already fucked almost all of us."

The girl nodded, feeling Mike grab her hair. He started fucking her throat roughly, enjoying the noises she made choking. He pulled his cock out, slapping her against the face with it. "Fuck, your so hot." He picked her up carefully, sitting her in his lap, stuffing her tight cunt with his thick cock.

Mike bounced her up and down, fucking her hard. She wrapped her arm around his neck, scratching at his back. "Mike! Oh Mike, fuck." She moaned into the air. He smirked, popping one of her tits in his mouth. He held her tightly with one arm while bringing the other to roll her nipple. She moaned, grabbing at his hair. "Yea baby, fuck yourself on my cock." He cried, thrusting into her harder. Max

moaned, bouncing herself faster. "I-i Mike i- mhhhh oh fuck oH."

Mike smirked, laying her down. He laied on top of her, ramming into her fast as he could. "Fuck your so tight Max, such a slut and still tight as a virgin."

Max moaned as she squirted all over Mike. He smirked, biting her neck. "Good girl, good fucking girl." He pulled out of her, slapping her cunt hard. She gasped, closing her legs. "No baby keep them open or I'll use my belt." Max whimpered, spreading her legs. Mike licked his lips, slapping her cunt once again. He did it twenty more times. Max was crying now.

Mike rubbed her pussy soothingly, trying to help with the pain a little. "Come on baby, daddy wants to stuff his toy with his cock." He said, rubbing his cock along her folds. Max looked up, biting her lip as he pushed in. God he was so big, too bug almost. She whimpered, fresh tears rolling down her cheeks.

"Hey its okay, it's just a tiny stretch baby. You've got it," he said wiping the tears away with his thumb. She practically screamed when all of him was inside her. The two of them were still until Max got used to the stretch. She put her hand on his chest, "y-you can move."

He nodded his head, thrusting in and out of her slowly. The girl whimpered in response. "It's okay, I've got you." He sat up straight, pulling her onto his lap. Max laied her head on his chest, preparing herself for the hard fucking she's going to get. He held her by the waist at he bounced her up and down on his cock. Max moaned, bouncing by herself. Mike started thrusting into her harshly. The two of them could hear his balls slamming against her ass.

Mike laied Max back on the floor, putting his hands on the floor next to her head. He started fucking her, hard and fast. Max moaned, spreading her legs wider. Her hand went down, rubbing her fingers on her cunt, small circles to help with the pain. "God you're so fucking tight, I'm gonna fuck my seed so deep into you that your gonna taste it."

Max moaned, staring at him with wide eyes. She could feel the knot

in her stomach getting tighter, and tighter. One hit to her g-spot had her coming with a screech. Mike smirked, still going. He was close too. "Oh fuck that was hot baby, fuck do it again. Come for me again." He said going faster. His thrusts were getting sloppily and Max could tell he was close to coming. She pushed him down so that he was on the ground and straddled his lap, bouncing up and down, riding him like a cowgirl.

Mike held her tight, stopping her from moving. He groaned as he came in her. Max gasped, moaning at the feeling. He kissed her neck, sucking and biting. Max was a blubbering mess, she was saying incoherent things. Mike kissed her shoulder soothingly, rubbing her back.
